

# Law Enforcement Retail Partnership Network Report

Special Edition—Mid-Atlantic Region

October 27, 2009

## Dashboard

### Diagnosis

For this special edition of the LERPnet Report, incidents occurring in the Mid-Atlantic Region (DE, DC, MD, PA, VA, WV) were reviewed and compared to all other LERPnet data.

- A majority of incidents reported for the Mid-Atlantic are ORC Incidents.
- Compared to all other states, Maryland and Pennsylvania rank in the top 10 states with losses due to ORC.
- LERPnet continues to report that the top times incidents occur are Thursday-Saturday between 2:00-6:00pm.
